

Science Questionnaire

Hi. My name is ... and I'm part of the college's Christian Union. We are interested in discovering what people think of science and what's important about it, and hope to collate the results. Would you be willing to do this survey?

Sex

- Male
- Female

Course Type

- Art and Humanities
- Engineering
- Medical Sciences
- Physical Sciences
- Social Sciences
- Other...

On the following scale, how much do you think science has an effect on everyday life?

Low Impact High Impact

1 2 3 4 5

Can you think of one positive effect of science in the world today (e.g. Medicine, electricity)?

Can you think of one negative effect of science in the world today (e.g. WMDs, pollution)?

Given that there are new scientific discoveries every day, do you think we can ever know everything about the universe?

- Yes
- No

Do you think science can answer all of life's questions?

- Yes
- No

If not, why?

How do you think the universe came about?

How do you think human life came about?

In your opinion, do you think God and science are compatible?

After the questionnaire has finished:

Every time: Thank you for taking the time to complete this survey

Optional:

1. Invite them to CU/Event
2. Pray with them?
3. Name and contact details

Possible invite for option 1

The results of this survey will be revealed at a Lunchbar in the Blue Room from 1-2pm on Weds 1st March, entitled: "Science & God: A love Story" 99p a Sub.
